

## **PANIQUENIANS USA, GUIDELINES FOR SCHOLARSHIP GRANTS**

### **(High School/College)**

#### **I. QUALIFICATIONS OF SCHOLARS**

1. Have a G.A. of 85% or it's equivalent 2.0 for both high school and college levels.
2. Belongs to an indigent family.
3. Bona fide resident in the Municipality.
4. Of good moral character.
5. Pass the Qualifying Exams, the Screening and Selection Process.

#### **II. DOCUMENTS REQUIRED (if qualified)**

1. Photo copy of high school report card for college and elementary report card for high school.
2. Barangay certification a proof that the student is a bona fide resident in the barangay/municipality.
3. Certification of good moral character from the school's registrar.

#### **III. BENEFITS OF THE SCHOLARS**

1. Stipend of 4,000 in Philippine currency per semester for the college under the new program.
2. Stipend of 5,000 in Philippine currency per school year for the high school scholars.

#### **IV. MAINTENANCE REQUIREMENTS**

To retain the scholarship, the following conditions must be met every semester for college and every school year for high school.

1. Be in good academic standing with maintaining G.A. 85% or 2.0 per semester for college and G.A. of 87% per school year for high school.
2. Must not drop any subject for the college/year level for high school nor cancel enrollment for the period during which they enjoy the scholarship.
3. Must not change or shift course (college).
4. Must carry the full semestral load (college).
5. Must not be given any disciplinary action because of tardiness, absenteeism and conduct unbecoming.
6. Failure to maintain the general average and other maintenance requirements means disqualification of the scholarship grants.

## **V. OTHER MATTERS**

1. The scholars will have an individual record for tracking purposes to be kept by the committee.
2. Submission of the report card/grades to the committee must be before enrollment for the next semester for the college and a month after the school year ends for the high school.
3. Upon completion of the requirements (other matters item V. no.2) per semester (college) school year (high school), a clearance will be issued and served as a requirement in claiming the allowance for the next semester/school year from the budget officer assigned.
4. Scholars meeting with the coordinators shall be held annually or during the administration of the Qualifying Exams for both college and high school.
5. All accomplishments of the scholars should be properly documented (with certification or a short narrative report with picture) to be submitted to the committee and to be included in their individual records folder.
6. Ready to assist during medical missions and other programs/projects of the benefactors if needed.
7. No sister or brother of the current scholar to be allowed to apply until the current scholar has graduated.
